FACTS ABOUT STUDYING ABROAD

1 Study Abroad is Affordable

We strive to make study abroad affordable to the whole student population. Financial aid and scholarships are available to make the experience as cost effective as possible compared to SUNY New Paltz tuition and fees.

2 Financial Aid is Available

If you're a SUNY student your financial aid automatically applies.

3 Your Credits Will Transfer

As a fully accredited institution of higher education, SUNY New Paltz administers study abroad programs through which students earn credits that are recognized by other institutions and accredited universities.

4 You Can Graduate on Time

Yes, you can! Talk to your academic advisor and the study abroad staff on your campus.

5 Studying Abroad Adds Value to Your Degree

Today's employers want to hire graduates with international experience and cross-cultural understanding.

6 You Don't Need to Know a Second Language

Study abroad opportunities are available throughout the English-speaking world, and programs with courses taught in English are available in non-English speaking countries.

7 It's Never Too Early to Plan

Study abroad is not just for juniors. First-year students can take part in winter intercession and summer programs. These opportunities, as well as semester-long and academic year study abroad experiences are also open to underclassmen.
